

Tableau Public Installation

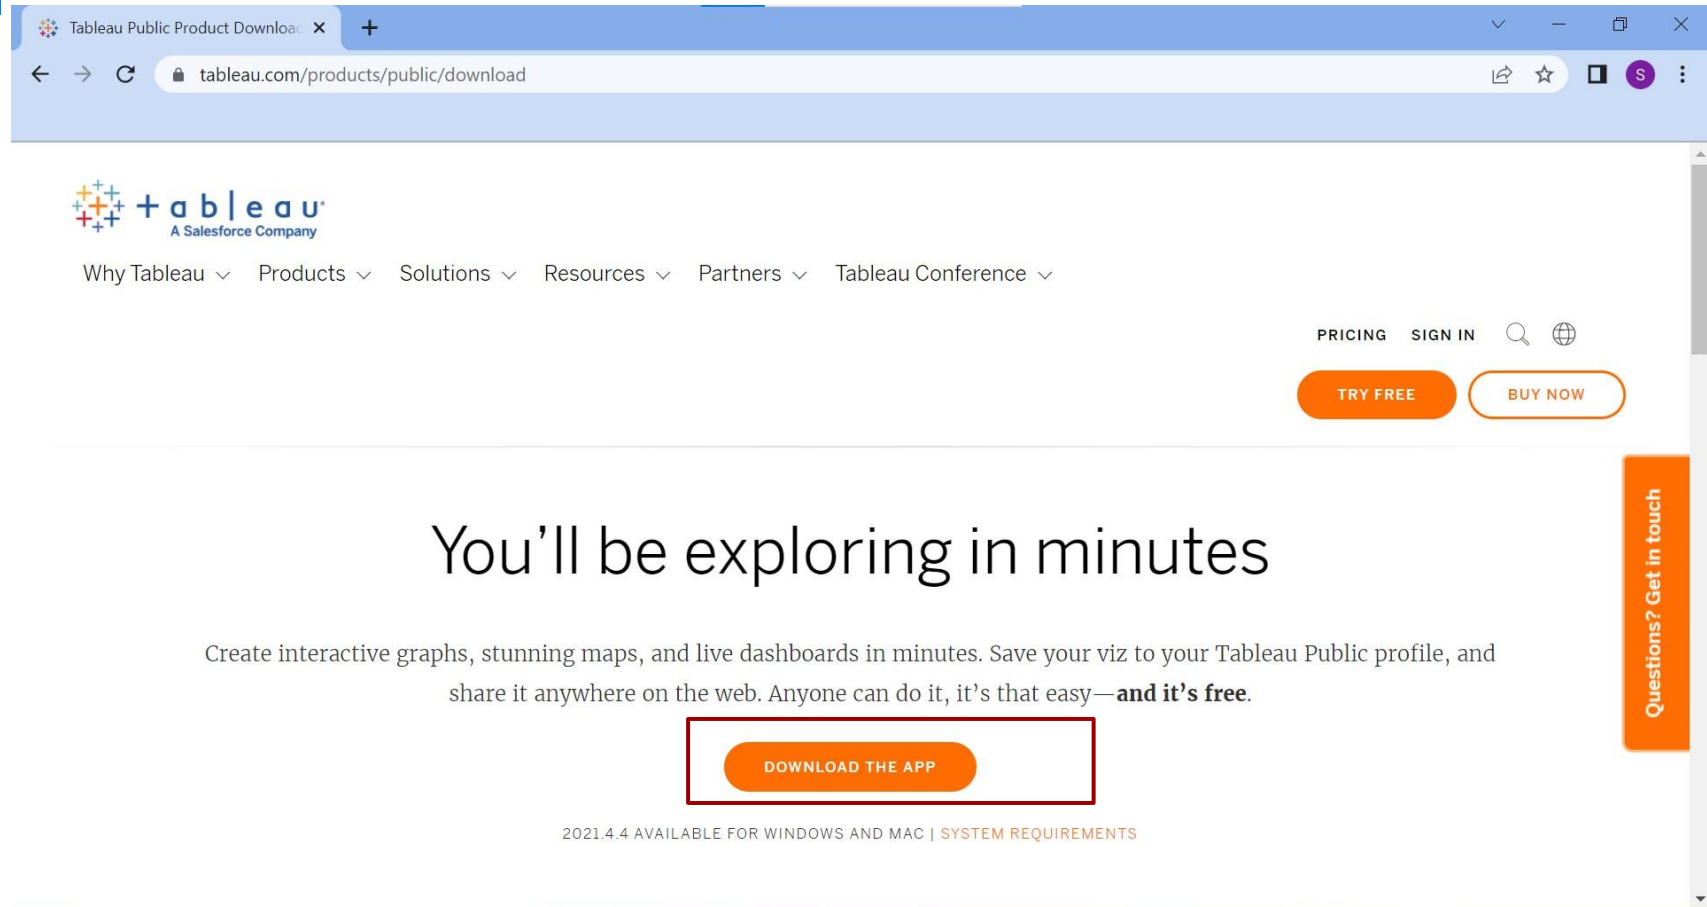

For Windows

Step 1: Click the link given below to download Tableau Public, or please type "Tableau Public" in the search bar in your browser. <https://public.tableau.com/en-us/s/>
You should be able to view it as shown below.

()

The screenshot shows a web browser window with the address bar containing `public.tableau.com/en-us/s/download`, which is highlighted with a red rectangle. The page header includes the Tableau Public logo and navigation links: DISCOVER, BLOG, RESOURCES, ABOUT, SIGN UP, and SIGN IN. The main content area features the heading "You'll be exploring in minutes" followed by the text "Create interactive graphs, stunning maps, and live dashboards in minutes. Save your viz to your Tableau Public profile, and share it anywhere on the web. Anyone can do it, it's that easy—and it's free." Below this text is an orange button labeled "DOWNLOAD THE APP", also highlighted with a red rectangle. Underneath the button, it says "2021.4 Available for Windows and Mac | System Requirements". At the bottom, there is a preview of a Tableau visualization titled "How has the world changed since 1962?" which is a bubble chart showing data points over time. A blue status bar at the very bottom of the browser window displays the text "Waiting for lh3.googleusercontent.com...".

Step 2: Click on “**DOWNLOAD THE APP**” and you will be directed to to below page.

The screenshot shows a web browser window with the address bar displaying 'tableau.com/products/public/download'. The page features the Tableau logo (A Salesforce Company) and a navigation menu with links: Why Tableau, Products, Solutions, Resources, Partners, and Tableau Conference. On the right, there are links for PRICING, SIGN IN, and a search icon. Below these are two orange buttons: 'TRY FREE' and 'BUY NOW'. The main content area has a large heading 'You'll be exploring in minutes' followed by a paragraph: 'Create interactive graphs, stunning maps, and live dashboards in minutes. Save your viz to your Tableau Public profile, and share it anywhere on the web. Anyone can do it, it's that easy—and it's free.' Below this paragraph is a red-bordered box containing an orange button labeled 'DOWNLOAD THE APP'. At the bottom, it says '2021.4.4 AVAILABLE FOR WINDOWS AND MAC | SYSTEM REQUIREMENTS'. On the right side of the page, there is a vertical orange bar with the text 'Questions? Get in touch'.

Questions? Get in touch

Step 3: Fill in the details and click Download the app.

The screenshot shows a web browser window with the URL `tableau.com/products/public/download#form`. The page features the Tableau logo and navigation links. The main heading is "Almost there!" followed by the text "It only takes 15 seconds to fill out. If you're already registered, [sign in](#)." Below this is a registration form with the following fields: "First Name", "Last Name", "Business E-mail", and a dropdown menu for "- Country/Region -". To the right of the form are buttons for "TRY FREE" and "BUY NOW". At the bottom of the form is a "DOWNLOAD THE APP" button. A disclaimer states: "By registering, you confirm that you agree to the processing of your personal data by Salesforce as described in the [Privacy Statement](#)." The Windows taskbar at the bottom shows the date and time as 13:56:01 on 22-03-2022.

Step 4: It will start downloading as shown in the below page.

The screenshot shows a web browser window at public.tableau.com/en-us/s/download/thanks. The page features a green banner with the text "Your download should begin automatically" and a "Try Again" button. Below the banner, it says "Need a different version?" with a link to "Mac". Further down, it states "2021.4 Available for Windows and Mac" and "System Requirements". At the bottom, there is a preview of a Tableau dashboard titled "How has the world changed since 1962?".

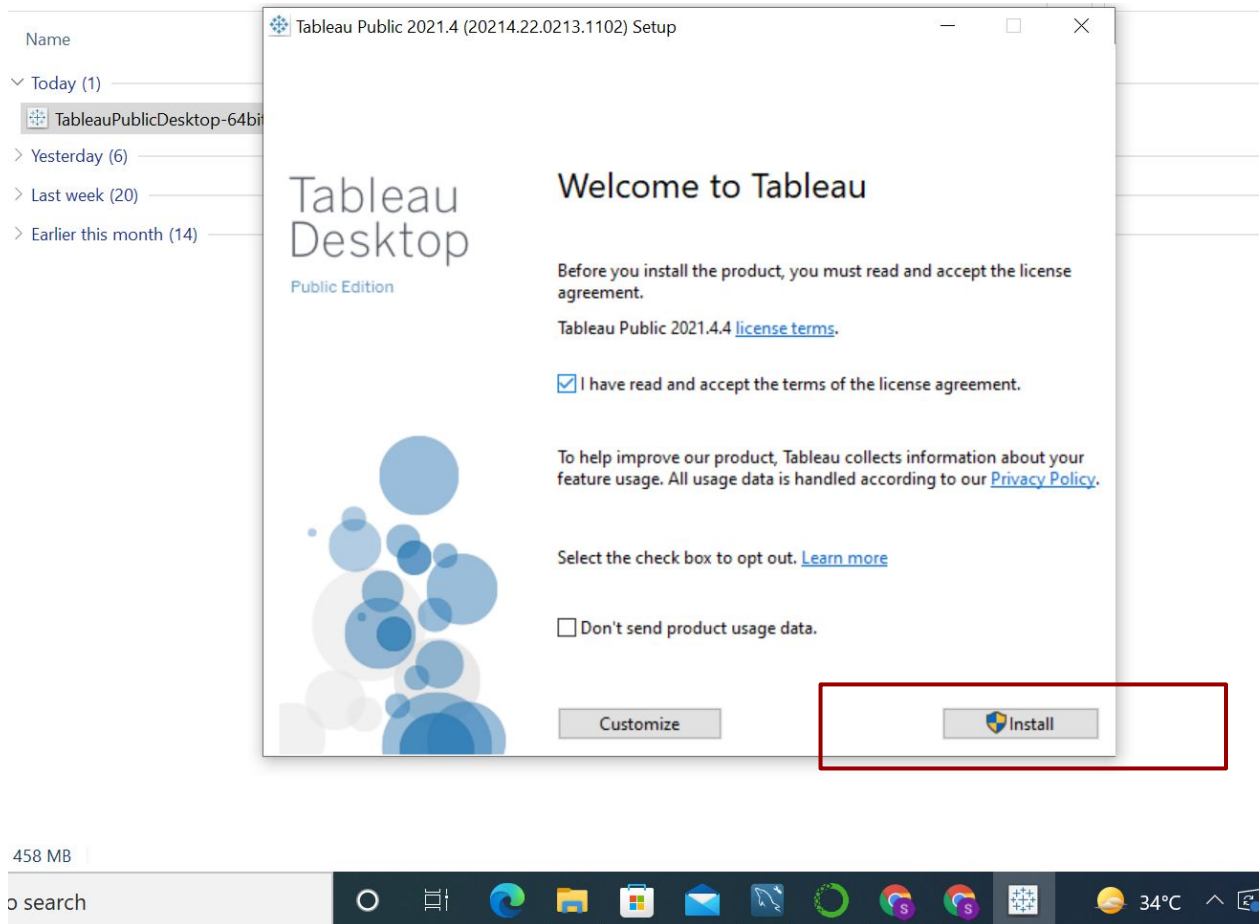

In the bottom-left corner, a Windows taskbar notification is visible, highlighted with a red box. It shows the file name "TableauPublicDesk....exe", a progress bar at 10.6/458 MB, and a time remaining of 3 mins left.

Step 6: Open the downloads folder on your computer to find Tableau Public in it as shown below. Double click and open it to start your installation.

	Name	Date modified	Type	Size
★ Quick access	▼ today (1)			
Desktop				
Downloads	 TableauPublicDesktop-64bit-2021-4-4	22-03-2022 13:02	Application	4,69,422 KB

Step 6:Accept the terms of the license agreement and click on Install.

Step 6: It will take a few seconds to install.

Step 6: The Screen would look like this after it is installed! You are good to go.
